

Malta Diary

MY ADVENTURES IN MALTA

DAY 1 - 26 MARCH 2K19

We arrived from Milan at the Airport of Malta at 5.30 p.m. We went to the residence and after dinner we visited for a little time Valletta in Malta, the capital of the island.

DAY 2 - 27 MARCH 2K19

In the morning we met the other student at the St. Micheal school, we did some games to know each others and after we started to work on our project. In the afternoon, at 2.00 p.m. we visited two nice cities near the school: Rabat and Medina, we did a games to know the city and at 6.00 p.m. we returned to our residence. After dinner we did a short walk with our Irish and German friends near the sea .

DAY 3 - 28 MARCH 2K19

In the third day we continue to work on the project and after we have the presentation about internships, European Union training opportunities and the presentation regarding the Duocil. After we have a lunch break and then we have the departure to Valletta, in this place we visited specially Fort St Wlmo, St John Con-Catedral, and the Barraka Gardens. In the evening we have dinner with hosting families at school.

DAY 4 - 29 MARCH 2K19

In the morning we meeting the other students and teacher at school, then we have the departure to gozo by a ferry, in this island we visit Cittadella, the Magro Brothers Factory, after the visit we have lunch and walk in front of the sea, in the afternoon we are back in the hosting families/resort. after the dinner we have an evening's exurcsion in Cottonera.

DAY 5 - 30 MARCH 2K19

In the last day we had the departure in the Malta's airport after the lunch at 12,35. And we returned in Italy in the afternoon, satisfied from the great experience that we have.
